Dear Scholarship Applicant:

The Home Builders & Remodelers Professional Women in Building Council Metro East (HBR PWB) is a Council within an organization made up of firms in the building industry that include builders, remodelers, developers, and associated businesses – all dedicated to improving the professional stature of our industry.

The association PWB has developed a Scholarship Program to encourage qualified women students to continue their interest in the home building industry.

The scholarship will be a minimum amount of $2000-$10,000. Applications will be reviewed with a recipient selected by the members of the HBR PWB Leadership Committee.

Consideration will be given to academics, building-related involvement, leadership & extracurricular activities and community involvement.

Scholarship checks are payable in the name of the institution (community college, university or trade school) the recipient is or will be attending and are distributed by the Home Builders & Remodelers Association. The HBR Professional Women in Building Council Metro East directs and administers the scholarship program.

Scholarship recipients will be notified by e-mail. The scholarship award may be used to pay for tuition, fees and/or books.

If you have any questions after reviewing the enclosed materials, please feel free to contact our office at (618) 343-6331.
