

## **Building Committee Meeting**

October 26, 2006

3 pm to 4:30 pm

**Present:** Bryan Thomson, Dick Hunt, Joe Launer and Gayle Early

**Minutes** - The committee did a building walk-through in each district building and found the following concerns:

### **JUNIOR HIGH/HIGH SCHOOL BUILDING**

- Vents above weight room door end of hall by locker room
- Bathroom by ball diamond in disrepair
- Center gym door doesn't close
- East wall of hallway needs wood painted or refinished
- Assorted lockers in disrepair
- Remove writing from windows
- Replace parking signs that have graffiti
- Home Econ. Room has tables that need tops repaired
- Mrs. Pollard has a classroom light that doesn't work
- Closet near library needs to be locked
- Repeated graffiti in Jr. High Boys Bathroom. Privacy Stall Partition need removed if it doesn't improve
- North row of incandescent lights in gym have some that don't work- breaker is tripped when they are turned on.

### **ELEMENTARY BUILDING**

- Vent in Multipurpose Room needs cleaned from the inside

Before the walk through, the building committee suggested adding asbestos removal and sidewalk repair expenses to the Capital Development Survey.
